

## Graduate Course Syllabus

### HIM 540: Health Information Governance

Center: Online

#### Course Prerequisites

HIM 510

#### Course Description

Explore compliance for HIM professionals, regulatory requirements, and the relationship of coding and compliance to develop an understanding of data governance pertaining to the significance of data integration, interoperability, and shared data. Learn how to assess the accuracy and standardization of data governance by reviewing various sections within the charts and their authorizations.

#### Course Competencies

This course covers the following competencies, which represent the knowledge and skills relevant to your field:

- Articulate the importance of information governance in supporting the achievement of an organization's quality and safety outcomes and strategic goals
- Evaluate the use of data-capture techniques and technologies for their potential to support an effective information governance framework
- Construct examples of appropriate clinical mapping between classification systems for communicating data accurately and effectively
- Design policies to properly share health information internally and externally based on data standard policies and laws that govern interoperability
- Analyze health record content and documentation for areas of noncompliance with data management regulations and standards

#### Required Materials

Using your learning resources is critical to your success in this course. Please purchase directly through the [SNHU Online Bookstore](#) rather than any other vendor. Purchasing directly from the bookstore ensures that you will obtain the correct materials and that the IT Service Desk, your advisor, and the instructor can provide you with support if you have problems.

**Note:** Please hold on to the textbook listed below, as it will be used in other HIM courses:

Oachs, P. K. & Watters, A. L. (2020). *Health information management: Concepts, principles, and practice*. (6<sup>th</sup> ed.). Chicago, IL: American health Information Management Association. ISBN: 978-1-58426-725-6

American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). ISBN: 978-1-4338-3216-1

Balgrosky, J. A. (2015). *Essentials of health information systems and technology*. Burlington, MA: Jones and Bartlett Learning. ISBN: 978-1-2840-3611-4

### **Diversity, Equity, and Inclusion**

As indicated in our core values, SNHU is committed to “embrace diversity where we encourage and respect diverse identities, ideas, and perspectives by honoring difference, amplifying belonging, engaging civilly, and breaking down barriers to bring our mission to life.”

This may or will be reflected in SNHU’s curriculum as we embrace and practice diversity, equity, and inclusion (DEI) to provide the most transformative experience for our students, faculty, and staff. Because topics pertaining to DEI can be sensitive, please remember that embodying and practicing diversity, equity, and inclusion is one of our core values that you will encounter throughout the academic experience. In higher education, we are expected to think and engage critically. Use a growth mindset to embrace the diverse readings, course assignments, and experiences of your peers and faculty.

For more information about DEI at SNHU, please visit our website at the [Office of Diversity and Inclusion](#).

### **Instructor Availability and Response Time**

Your class interaction with the instructor and your classmates will take place on a regular, ongoing basis. Your instructor will be actively engaged within the course throughout the week. You will normally communicate with your instructor in the weekly discussions or the General Questions discussion topic so that your questions and the instructor’s answers benefit the entire class. You should feel free, however, to communicate with your instructor via SNHU email at any time, particularly when you want to discuss something of a personal or sensitive nature. Your instructor will generally provide a response within 24 hours. Instructors will post grades and feedback (as applicable) within seven days of an assignment’s due date, or within seven days of a late submission.

### **Grade Distribution**

Assignment Category	Number of Graded Items	Point Value per Item	Total Points
Discussions	8	20	160
Journals	2	30	60
Short Papers	2	75	150
Final Project			
Milestone One	1	100	100
Milestone Two	1	100	100
Milestone Three	1	80	80
Final Submission	1	350	350
			<b>Total Course Points: 1,000</b>

This course may also contain non-graded activities. The purpose of these non-graded activities is to assist you in mastering the learning outcomes in the graded activity items listed above.

### University Grading System: Graduate

Grade	Numerical Equivalent	Points
A	93–100	4.00
A-	90–92	3.67
B+	87–89	3.33
B	83–86	3.00
B-	80–82	2.67
C+	77–79	2.33
C	73–76	2.00
F	0–72	0.00
I	Incomplete	
IF	Incomplete/Failure *	
W	Withdrawn	

\* Please refer to the [policy page](#) for information on the incomplete grade process.

### Grading Guides

Specific activity directions, grading guides, posting requirements, and additional deadlines can be found in the Assignment Information section of the course.

### Weekly Assignment Schedule

All reading and assignment information can be found within each module of the course. Assignments and discussion posts during the first week of each term are due by 11:59 p.m. Eastern Time. Assignments and discussion posts for the remainder of the term are due by 11:59 p.m. of the student's local time zone.

In addition to the textbook readings that are listed, there may be additional required resources within each module.

Module	Topics and Assignments
1	Data and Information <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 3 1-1 Discussion: Data Governance and Information Governance 1-2 Final Project Review 1-3 Staying on Track
2	Data Content: Health Records <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 4 (Specified Pages) 2-1 Discussion: Patient Health Record Content 2-2 Short Paper: Documentation Standards for Health Records 2-3 Staying on Track

Module	Topics and Assignments
3	Classification Systems <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 5 3-1 Journal: Classification Systems 3-2 Short Paper: Classification Systems and Data Quality 3-3 Staying on Track
4	Data Capture Tools and Techniques <i>Health Information Management: Concepts Principles, and Practice</i> , Chapters 6 and 12 (Specified Pages) 4-1 Discussion: Data-Capture Techniques and Tools 4-2 Final Project Milestone One: Implications of Mapping and Documentation Errors 4-3 Staying on Track
5	Standards and Regulations of Interoperability <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 12 (Specified Pages) 5-1 Discussion: Standards That Govern Interoperability 5-2 Final Project Milestone Two: Healthcare Data Collection 5-3 Staying on Track
6	Implementation and Initiatives of Interoperability and Health Information Exchange <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 12 (Specified Pages) 6-1 Discussion: Common Languages Related to Interoperability 6-2 Final Project Milestone Three: Interoperability 6-3 Staying on Track
7	Information Governance: Life Cycle Management <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 4 (Specified Pages) 7-1 Discussion: Information Governance and Data Integrity 7-2 Journal: The Health Information Management Life Cycle 7-3 Staying on Track
8	Information Governance: Compliance and Ethical Use of Information <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 27 8-1 Discussion: Too Much Information? 8-2 Staying on Track
9	Training and Development <i>Health Information Management: Concepts, Principles, and Practice</i> , Chapter 23 9-1 Final Project Submission: Training Manual
10	The Future of Information Governance <i>Essentials of Health Information Systems and Technology</i> , Chapter 12 (Specified Pages) 10-1 Discussion: The Future of Health Information Governance

### Course Participation

Course participation is required within the first week of the term for all online courses. *Participation* in this context is defined as completing one graded assignment during the first week of the course. Otherwise, students will be administratively removed for nonparticipation. Students who do not participate during the first week may forfeit their rights to be reinstated into the course. Students who stop attending a course after the first week and who do not officially withdraw will receive a grade calculated based on all submitted and missed graded assignments for

the course. Missed assignments will earn a grade of zero. See the [course withdrawal policy](#) and the [full attendance policy](#) for further information.

### **Late Assignments**

Students who need extra time may submit assignments (excluding discussion board postings) up to one week after the assignment due date. Discussion board submissions will not be accepted for credit after the deadline except in extenuating circumstances.

- A penalty of 10 percent of the total value of the assignment will be applied to the grade achieved on the late assignment regardless of the day of the week on which the work is submitted.
- Students who submit assignments more than one week late will receive a grade of zero on the assignment unless they have made prior arrangements with the instructor.

Students must submit all assignments no later than 11:59 p.m. (in their own time zone) on the last day of the term. No assignments are accepted after the last day of the term unless an incomplete has been submitted. See the [incomplete grades policy](#).

There may be times an instructor makes an exception to the late assignment policy. Instructors may accept late work, including discussion board posts, with or without prior arrangement.

- Exceptions to the late policy on these grounds are left to the instructor's discretion, including whether the late penalty is applied or waived. Students should not assume that they will be allowed to submit assignments after the due dates.
- If an instructor finds that they are unable to determine whether an exception to the late policy would be appropriate without documentation, the collection and review of student documentation should be handled through the Dispute Resolution team in order to protect the student's privacy. In these cases, students should file a [Student Concern Dispute form](#) to have the circumstances reviewed.

If a student is experiencing (or knows they will experience) a circumstance, including pregnancy, that is protected under the Americans with Disabilities Act or Title IX, they are encouraged to contact the [Online Accessibility Center \(OAC\)](#) as soon as possible to explore what academic accommodations might be offered. Instructors must honor all deadlines established through the OAC.

### **Student Handbook**

Review the [student handbook](#).

### **ADA/504 Compliance Statement**

Southern New Hampshire University (SNHU) is dedicated to providing equal access to individuals with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and with Title III of the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.

SNHU prohibits unlawful discrimination on the basis of disability and takes action to prevent such discrimination by providing reasonable accommodations to eligible individuals with disabilities. The university has adopted the

[ADA/504 Grievances Policy](#) (version 1.2 effective October 16, 2017), providing for prompt and equitable resolution of complaints regarding any action prohibited by Section 504 or the ADA.

For further information on accessibility support and services, visit the [Disability and Accessibility Services](#) webpage.

### **Academic Integrity Policy**

Southern New Hampshire University requires all students to adhere to high standards of integrity in their academic work. Activities such as plagiarism and cheating are not condoned by the university. Review the [full academic integrity policy](#).

### **Copyright Policy**

Southern New Hampshire University abides by the provisions of United States Copyright Act (Title 17 of the United States Code). Any person who infringes the copyright law is liable. Review the [full copyright policy](#).

### **Withdrawal Policy**

Review the [full withdrawal policy](#).

### **Southern New Hampshire University Policies**

More information about SNHU policies can be found on the [policy page](#).
