#### Diversity, Equity, and Inclusion

As indicated in our core values, SNHU is committed to “embrace diversity where we encourage and respect diverse identities, ideas, and perspectives by honoring difference, amplifying belonging, engaging civilly, and breaking down barriers to bring our mission to life.”

This may or will be reflected in SNHU’s curriculum as we embrace and practice diversity, equity, and inclusion (DEI) to provide the most transformative experience for our students, faculty, and staff. Because topics pertaining to DEI can be sensitive, please remember that embodying and practicing diversity, equity, and inclusion is one of our core values that you will encounter throughout the academic experience. In higher education, we are expected to think

and engage critically. Use a growth mindset to embrace the diverse readings, course assignments, and experiences of your peers and faculty.

For more information about DEI at SNHU, please visit our website at the [Office of Diversity and Inclusion](#).

For internships, students will be enrolled in a credit-bearing section in their first term. At that end of that term, the instructor will input a final grade of “IP” if the student is passing, or “F” if the student is failing. If the grade is “IP,” the instructor will include the expiration date that will be set for two weeks from the end of the internship contract date; this will allow for submission of the final project as well as instructor grading. The student will then be enrolled in a zero-credit section for each subsequent term until the internship is completed. In each succeeding term, including the final term, the instructor will continue with the “IP”/“F” grading. After the last term ends, and prior to the expiration date, the instructor will submit a grade change form to the Office of the University Registrar (OUR) with the final alpha grade. The OUR will then change all IP grades for all sections of the internship to that final alpha grade.
