### SPED 526C: Multisensory Literacy Strategies

Center: Online

#### Course Prerequisites

RDG 582

#### Course Description

This course is designed to help educators become more knowledgeable about how literacy develops and to understand why research-based, structured language strategies are necessary for teaching reading to students of diverse abilities. The course will demonstrate that reading is not an intuitive skill and that educators need to develop appropriate multisensory instructional strategies for the student who is either at risk or is a struggling reader. The overall goals are to introduce the scientific rationales and specific instructional methods for teaching the major components of literacy: phonological awareness, phonics, decoding and fluency, vocabulary, comprehension, and writing.

### **Critical Task: Remediation Plan**

The critical task for this course is the creation of a remediation plan that uses a multisensory approach and addresses at least four of the pillars of reading: phonemic awareness, phonics, decoding and fluency, vocabulary, comprehension, and/or writing. The critical task represents an authentic demonstration of competency because the course is designed to help educators examine how literacy develops in students of all ages and will review why research-based, structured language strategies are necessary for teaching reading to students of diverse abilities.

### **Attendance Policy**

Online students are required to submit a graded assignment/discussion during the first week of class. If a student does not submit a posting to the graded assignment/discussion during the first week of class, the student is automatically withdrawn from the course for non-participation. Review the [full attendance policy](#).

### **Late Assignments Policy**

Meeting assigned due dates is critical for demonstrating progress and ensuring appropriate time for instructor feedback on assignments. Students are expected to submit their assignments on or before the due date. Review the [full late assignment policy](#).
