

## Graduate Course Syllabus

### IT 640: Telecommunications and Networking

Center: Online

#### Course Prerequisites

None

#### Course Description

Telecommunications is a business resource that must be well managed. This includes the technical aspects and the application of telecommunications technology to solve specific business problems and enhance the strategic position of a business enterprise. Topics include the importance of telecommunication in today's business environment; the analysis, design, and implementation of telecommunications systems; the scope of the telecommunications industry and current trends; telecommunications hardware; the Open Systems Interconnection (OSI) network model; networking technologies and telecommunications software; and protocols and standards.

#### Course Outcomes

- Determine how network applications communicate from end to end by applying the network Open Systems Interconnection (OSI) model
- Analyze the network infrastructure of an existing network for determining what the basic traffic patterns are communicating
- Recommend an effective architecture design for supporting communication needs throughout an organization
- Analyze network traffic patterns for informing a network design that mitigates performance and security issues
- Develop recommendations for designing and maintaining a secure network infrastructure in accordance with industry standard best practices

#### Required Materials

Using your learning resources is critical to your success in this course. Please purchase directly through the [SNHU Online Bookstore](#) rather than any other vendor. Purchasing directly from the bookstore ensures that you will obtain the correct materials and that the IT Service Desk, your advisor, and the instructor can provide you with support if you have problems.

#### uCertify

The readings for this course must be accessed through uCertify. Purchase your uCertify access code from the [SNHU Online Bookstore](#). The SNHU Online Bookstore will email the access code to you.

Refer to the [How to Register for an Instructor-Led Course in uCertify](#) for help getting started.

uCertify is a web-based platform that provides a highly interactive, cloud-based, device-enabled teaching and learning management platform for online, anywhere, and anytime competency-based learning. Note: uCertify is an external website and separate from the course management system in which the course is taught.

### **Microsoft Azure Dev Tools for Teaching**

Southern New Hampshire University students in STEM courses (and some business courses) may obtain discounted, often free, Microsoft software through the [Microsoft Azure Dev Tools for Teaching](#) program. Review [these Microsoft Azure guidelines](#) for information on accessing your software. If you have trouble downloading and installing the software, contact your instructor.

This course uses the following Microsoft Azure software:

- Microsoft Visio

### **Diversity, Equity, and Inclusion**

As indicated in our core values, SNHU is committed to “embrace diversity where we encourage and respect diverse identities, ideas, and perspectives by honoring difference, amplifying belonging, engaging civilly, and breaking down barriers to bring our mission to life.”

This may or will be reflected in SNHU’s curriculum as we embrace and practice diversity, equity, and inclusion (DEI) to provide the most transformative experience for our students, faculty, and staff. Because topics pertaining to DEI can be sensitive, please remember that embodying and practicing diversity, equity, and inclusion is one of our core values that you will encounter throughout the academic experience. In higher education, we are expected to think and engage critically. Use a growth mindset to embrace the diverse readings, course assignments, and experiences of your peers and faculty.

For more information about DEI at SNHU, please visit our website at the [Office of Diversity and Inclusion](#).

### **Instructor Availability and Response Time**

Your class interaction with the instructor and your classmates will take place on a regular, ongoing basis. Your instructor will be actively engaged within the course throughout the week. You will normally communicate with your instructor in the weekly discussions or the General Questions discussion topic so that your questions and the instructor’s answers benefit the entire class. You should feel free, however, to communicate with your instructor via SNHU email at any time, particularly when you want to discuss something of a personal or sensitive nature. Your instructor will generally provide a response within 24 hours. Instructors will post grades and feedback (as applicable) within seven days of an assignment’s due date, or within seven days of a late submission.

## Grade Distribution

Assignment Category	Number of Graded Items	Point Value per Item	Total Points
Discussions	9	25	225
Quizzes	8	30	240
Visio Diagram	1	10	10
Final Project			
Milestones	3	75	225
Final Submission	1	300	300
			<b>Total Course Points: 1,000</b>

This course may also contain practice activities. The purpose of these non-graded activities is to assist you in mastering the learning outcomes in the graded activity items listed above.

## University Grading System: Graduate

Grade	Numerical Equivalent	Points
A	93–100	4.00
A-	90–92	3.67
B+	87–89	3.33
B	83–86	3.00
B-	80–82	2.67
C+	77–79	2.33
C	73–76	2.00
F	0–72	0.00
I	Incomplete	
IF	Incomplete/Failure *	
W	Withdrawn	

\* Please refer to the [policy page](#) for information on the incomplete grade process.

## Grading Guides

Specific activity directions, grading guides, posting requirements, and additional deadlines can be found in the Assignment Guidelines and Rubrics section of the course.

## Weekly Assignment Schedule

All reading and assignment information can be found within each module of the course. Assignments and discussion posts during the first week of each term are due by 11:59 p.m. Eastern Time. Assignments and discussion posts for the remainder of the term are due by 11:59 p.m. of the student's local time zone.

In addition to the textbook readings that are listed, there may be additional required resources within each module.

Module	Topics and Assignments
1	<p>Networking Fundamentals</p> <p><i>uCertify Reading:</i> Chapters 1 and 2</p> <p>1-1 Discussion: Industry Network Analysis</p> <p>1-2 Microsoft Visio Installation</p> <p>1-3 Microsoft Visio Installation and Diagram</p> <p>1-4 Final Project Review</p> <p>1-5 uCertify Access and Login (Non-Graded)</p> <p>1-6 Module One Quiz</p>
2	<p>Layers of Communication</p> <p><i>uCertify Reading:</i> Chapters 4, 5, and 28</p> <p>2-1 Discussion: OSI Model Layers</p> <p>2-2 Module Two Quiz</p> <p>2-3 Milestone One Preparation</p>
3	<p>Networking Essential Layers One, Two, and Three</p> <p><i>uCertify Reading:</i> Chapters 3, 7, 10, and 11</p> <p>3-1 Discussion: Network Architecture Essentials</p> <p>3-2 Module Three Quiz</p> <p>3-3 Milestone One: Project Analysis Plan</p>
4	<p>Network Communication Architecture Layers Two and Three</p> <p><i>uCertify Reading:</i> Chapters 12, 13, and 14</p> <p>4-1 Discussion: Network Architecture Planning</p> <p>4-2 Module Four Quiz</p> <p>4-3 Milestone One: Review Feedback</p>
5	<p>Wide Area Network (WAN) Fundamentals</p> <p><i>uCertify Reading:</i> Chapters 15, 16, 18, and 20</p> <p>5-1 Discussion: Network Management Tools</p> <p>5-2 Module Five Quiz</p> <p>5-3 Milestone Two: Current Network Architecture</p>
6	<p>Wide Area Network Communication</p> <p><i>uCertify Reading:</i> Chapters 21, 22, 23, and 24</p> <p>6-1 Discussion: Cloud Service</p> <p>6-2 Module Six Quiz</p> <p>6-3 Milestone Two: Review Feedback</p>
7	<p>Basic Security Fundamentals</p> <p><i>uCertify Reading:</i> Chapters 25, 26, and 27</p> <p>7-1 Discussion: Network Security</p> <p>7-2 Module Seven Quiz</p> <p>7-3 Milestone Three: Future Network Architecture</p>
8	<p>Security Approaches</p> <p><i>uCertify Reading:</i> Chapters 9 and 34</p> <p>8-1 Discussion: Integrating Multiple Networks</p> <p>8-2 Module Eight Quiz</p> <p>8-3 Final Project Review</p>

Module	Topics and Assignments
9	Network Integration 9-1 Final Project Submission: Network Analysis and Architecture Evaluation
10	Network and Telecommunications: A Look Ahead 10-1 Discussion: Going Forward

### Attendance Policy

Online students are required to submit a graded assignment/discussion during the first week of class. If a student does not submit a graded assignment/discussion during the first week of class, the student is automatically dropped from the course for non-participation. Review the [full attendance policy](#).

### Late Assignments Policy

Meeting assigned due dates is critical for demonstrating progress and ensuring appropriate time for instructor feedback on assignments. Students are expected to submit their assignments on or before the due date. Review the [full late assignment policy](#).

### SNHU Student Handbook

Review the [student handbook](#).

### ADA/504 Compliance Statement

Southern New Hampshire University (SNHU) is dedicated to providing equal access to individuals with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and with Title III of the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008.

SNHU prohibits unlawful discrimination on the basis of disability and takes action to prevent such discrimination by providing reasonable accommodations to eligible individuals with disabilities. The university has adopted this policy to provide for prompt and equitable resolution of complaints regarding any action prohibited by Section 504, the ADA, or the ADAAA.

For questions about **support services, documentation guidelines, general disability issues, or pregnancy accommodations**, please visit the [Online Accessibility Center](#) (OAC).

As a student, you must complete an interactive intake process, with supporting documentation, in order to be granted accommodations. Once reasonable accommodations are approved by the OAC, you will receive an accommodations letter. You are then responsible for sharing the letter with your instructor. Accommodations are not retroactive.

If you feel you've been subject to discrimination on the basis of disability, by any party, you may file a complaint or grievance. For more information on the ADA/504 Grievance Policy, go to the [Disability and Accessibility Services](#) website.

**Academic Integrity Policy**

Southern New Hampshire University requires all students to adhere to high standards of integrity in their academic work. Activities such as plagiarism and cheating are not condoned by the university. Review the [full academic integrity policy](#).

**Copyright Policy**

Southern New Hampshire University abides by the provisions of United States Copyright Act (Title 17 of the United States Code). Any person who infringes the copyright law is liable. Review the [full copyright policy](#).

**SNHU Withdrawal Policy**

Review the [full withdrawal policy](#).

**Southern New Hampshire University Policies**

More information about SNHU policies can be found on the [policy page](#).
